is Preparing the World
For the End Time**

Biblical Prophecy

We are living in the prophetic period of time known as the last days. Events of these days will prepare the world for the events of the end time. Could the war we are witnessing today usher in end time events?

END TIMES

A dramatic landscape featuring a bright sun rising over a vast sea of white and golden clouds. The sun is positioned centrally, creating a strong lens flare and casting long, dark shadows across the horizon. Below the clouds, a green hillside slopes down towards the foreground, with the sun's light illuminating the grass. The sky above is a mix of blue and green, suggesting a clear but slightly hazy atmosphere.

**Prophetic events cast
their shadows before them.**

**Even though we see them in shadows, the
outline of the future is becoming clear.**

The disturbing fact of the past month is that Jews are under attack not only in Israel and not only by Hamas. The weeks since the barbaric Oct. 7 Hamas invasion of Israel have witnessed physical assaults on Jews the world over, including in the U.S. and Europe. This most modern of pogroms—global, televised, politicized—demonstrates exactly what is at stake as Israel ramps up its defensive war against Hamas in Gaz

The Global Consequences of the Israel-Hamas War

Nov 3, 2023 | MARK LEONARD

The impact of the Israel-Hamas war will reverberate around the world, with consequences for the Middle East, Europe, China, and the United States. While the specific challenges vary, none has an interest in drawing out or widening the conflict.

WASHINGTON, DC – War has returned to the Middle East. Nearly a month after Hamas militants carried out their brutal rampage, Israel's military retaliation continues with an intensifying ground offensive in Hamas-controlled Gaza. For people living, or with family, in Israel – including me – this is a deeply personal crisis. At the same time, many people around the world identify with the thousands of Palestinians who have been killed by Israeli airstrikes. But, personal connections aside, this is also a geopolitical crisis, possibly even more profound and far-reaching in its global impact than the Ukraine war.

- 1. Economic disruption** – could trigger a global economic “shock,” including soaring oil prices soaring and millions going hungry due to higher food prices.
- 2. Military vulnerability** – drawing other nations into a wider military conflict.
- 3. Political Realignment** – schism in views globally continuing after war ends.
- 4. New strategic challenges** – “degrade” U.S. global standing by capitalizing on worldwide sympathy for Palestinians.
- 5. Belligerent non-state actors** – provokes militias to engage in terrorism.

“Who is like the beast, and who is able to wage war with him? ... And all who dwell on the earth will worship him, everyone whose name has not been written from the foundation of the world in the book of life of the Lamb who has been slain.” **Revelation 13:4, 7–8**

History reveals that globalization comes on the heels of conquest and the Bible declares that any time man attempts globalization it results in rule by wicked, ungodly empires. How could it be otherwise since it is implemented by Satan, currently the god of this age (2 Corinthians 4:4) under whose influence the whole world lies (1 John 5:14).

Iran Awaits the Twelfth Imam

The Islamic Republic of Iran established in 1979 is an eschatological construct based on the Twelfth Imam. Article Five of the constitution for the Islamic Republic of Iran proclaims that the basis for the government is the authority of the Twelfth Imam.

Over 2 million Iranians believed Khomeini was “the expected one” (al-Muntazar), the Twelfth Imam, but he declared he came only to prepare the way for his appearance.

90% of the population of Iran and 60% of Iraq belong to the group of Shi’a known as the “Twelvers” who await the Twelfth Imam.

“The Mahdi will arise from Mecca and all of Arabia will submit to him and then other parts of the world as he marches upon Iraq and establishes his seat of global government in Kufa. Then he will send 10,000 of his forces to the east and west to uproot the oppressors (enemies of Islam) and one land after another will come under his control. The last of his apocalyptic battles will be the overthrow by his troops of his archvillain in Jerusalem, the Islamic holy city in Palestine currently under occupation of the Zionists.” Iran's *The World Toward Illumination*

All We Need is War

“The Great Reset is a globalist plan that is moving forward at lighting speed. The COVID-19 pandemic was part and parcel of that plan, but to really fulfill the technocrats’ ambitions, a war of some kind is needed. They need chaos, mass casualties and financial chaos in order to create the desperation necessary for people to give up their freedoms and give in to tyrannical control.”

Israel vs HAMAS -Religious & Civilizational

Despite the US State Department's designation of HAMAS as a "terrorist organization," global leaders refer to it as a "national resistance movement" and HAMAS defines itself as "an outstanding type of Palestinian movement" that is **religious and civilizational, seeking to oppose ongoing Israeli aggression against Jerusalem and attempts to Judaize the Arab/Muslim holy Al-Aqsa mosque. The Israeli counter-framing of the war similarly deploys **religious and civilizational** terms. Prime Minister Benjamin Netanyahu termed it 'a struggle between the children of light and the children of darkness, between humanity and the law of the jungle.' This has historically been understood by HAMAS and the Palestinian Authority and most Arab nations as a religious war (Jihad) between Islam and Israel (Zionism). The Israeli-Arab/Palestinian Conflict has also historically been seen as a clash between the civilizations of the West (Judeo-Christian) and East (Islam). Each side has referred to religious texts and national values to justify their actions. The HAMAS-Israel war is currently dividing the world into sides – largely against Israel.**

What happened and is happening between Israel and Hamas, like what happened and is happening between Ukraine and Russia, should raise revulsion and fear in everyone. That is true both because these conflicts reveal the unimaginably terrible and revolting ways people can and do treat other people—especially innocent civilians—and because no one anywhere can be sure that they won't someday find themselves in some horrible war. **It appears that we are at a very critical juncture in which we will soon see if the Israel–Hamas war spreads and how far it spreads and, longer term, whether the great powers are forces for peace (and will back away from the brink of direct conflict) or get involved (and cross the brink).**

Iran and China Are Strengthening Their Military Ties

Pentagon releases footage of hundreds of 'highly concerning' aircraft intercepts by Chinese planes

The Associated Press

If Israel enters Gaza and takes out HAMAS it will remove Iran's access to Israel. Iranian-backed Hezbollah, currently shelling the north is thought to be planning a major assault if Israel enters Gaza. This would put Iran in the fight (it is already in the fight) bringing Iran's allies Russia, Turkey and China into the conflict.

The Wider War of Islam

HAMAS is joined by other armed Palestinian factions, including Islamic Jihad, the Popular Resistance Committees, the Popular Front for the Liberation of Palestine, the Popular Front for the Liberation of Palestine – General Command, the Democratic Front for the Liberation of Palestine, the Al-Aqsa Martyrs' Brigades and the Palestinian Mujahideen Movement. Though diverse in their ideologies and broader interests, these militias have largely united in their common goal of defeating Israel. Hezbollah, part of the broader Iran-aligned "Axis of Resistance," has launched a sustained campaign using rockets, drones, anti-tank missiles, and other weapons to strike the Israel Defense Forces (IDF). A coalition of such militias has banded together under the "Islamic Resistance in Iraq" banner, striking U.S. troops in Iraq and Syria with rockets and drones on a near-daily basis since mid-October. Key players in this coalition are Iraq's Kataib Hezbollah and the Nujaba Movement, as well as other powerful Iraqi factions such as Asaib Ahl al-Haq, the Badr Organization and Ashab al-Kahf, itself believed to be a coalition of other forces. This includes Iraq's state-sponsored Popular Mobilization Forces, a paramilitary umbrella of largely Shiite Muslim militias. Another well-armed Axis of Resistance power is Yemen's Ansar Allah, also known as the Houthi movement. This group has launched dozens of attacks against ships of various flags and countries of origin, disrupting trade in the crucial trade corridors of the Red Sea and Gulf of Aden. These all vow to continue their attacks until Israel halts its offensive against HAMAS. But Israel has to retrieve the hostages, wipe out HAMAS in Rafah and then in the West Bank before it will consider its war successful and Israel secure. This will take a long time and in that time no one can predict how the regional conflict will escalate.

The disturbing fact of the past month is that Jews are under attack not only in Israel and not only by Hamas. The weeks since the barbaric Oct. 7 Hamas invasion of Israel have witnessed physical assaults on Jews the world over, including in the U.S. and Europe. This most modern of pogroms—global, televised, politicized—demonstrates exactly what is at stake as Israel ramps up its defensive war against Hamas in Gaz

**6. Centering the global
conflict against Jerusalem
and the Temple Mount.**

“For I will gather all the nations against Jerusalem to battle, and the city will be captured, the houses plundered, the women ravished, and half of the city exiled, but the rest of the people will not be cut off from the city. Then the LORD will go forth and fight against those nations, as when He fights on a day of battle.” Zechariah 14:2–3

“Therefore when you see the Abomination of Desolation which was spoken of through Daniel the prophet, standing in the holy place [Temple] (let the reader understand), then let those who are in Judea flee to the mountains ...” Matthew 24:15–16

“Rise and measure the Temple of God, and the altar, and those who worship in it. And leave out the court which is outside the Temple, and do not measure it, for it has been given to the nations; and they will tread under foot the holy city for forty-two months.” Revelation 11:1–2

Prophecies Related to the Temple Mount

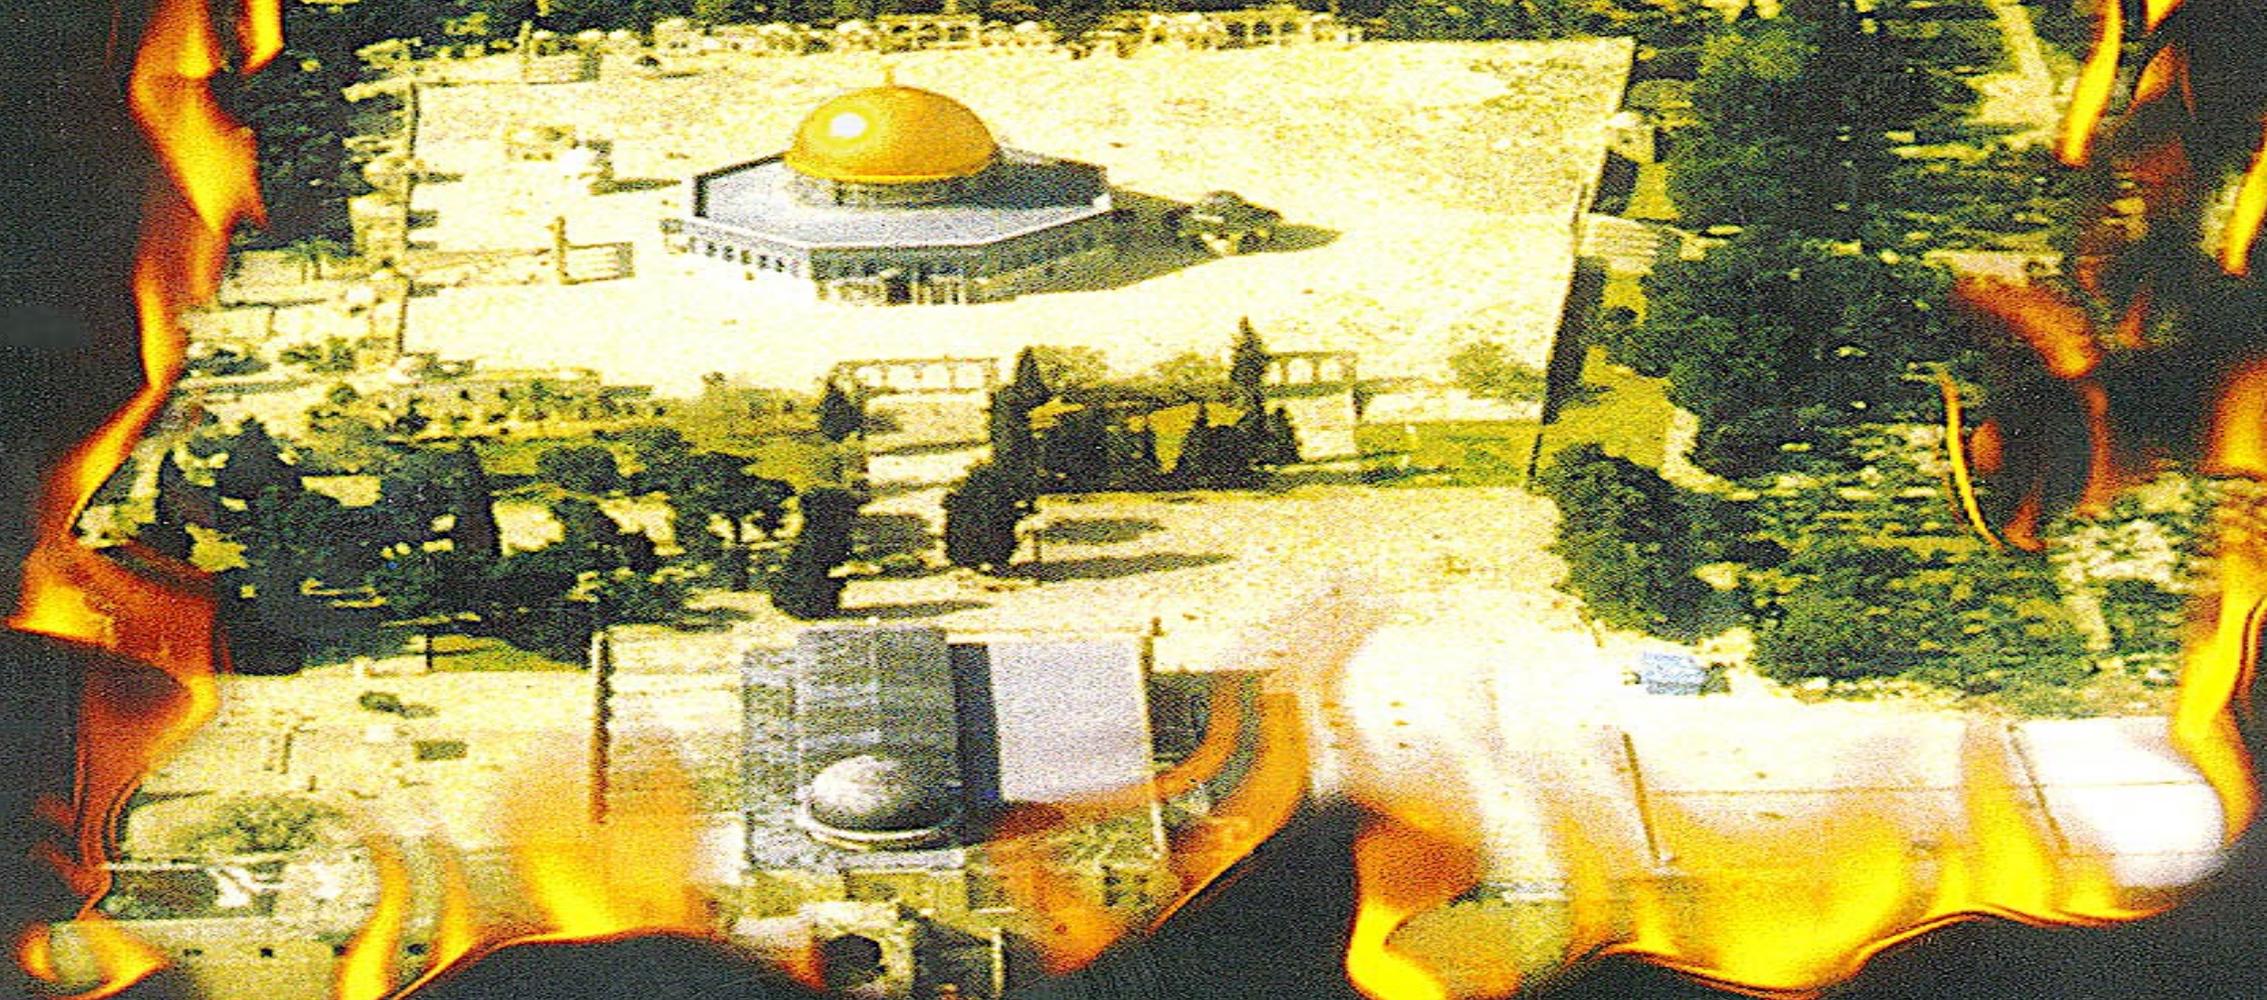

1. Jews would return in unbelief to Jerusalem to reclaim their heritage and destiny (Ezekiel 36:24; Romans 11:27).
2. Jerusalem would regain its national status as “the capital of Israel” (Matthew 24:15-22).
3. Israeli Jews would rebuild Temple. (Mt. 24:15; Rev. 11:1-2).
4. Jerusalem would again be threatened by the Gentile nations (Ezekiel 38-39; Zechariah 12:2; 14:2).

Ramadan Through Palestinian Authority Eyes

“The Prophet [Muhammad] entered the great Battle of Badr during Ramadan... In the month of Ramadan, in the 8th year of the Hijra, the Prophet and the Muslims conquered Mecca... The Prophet did not say... ‘now it’s Ramadan, people are fasting, let’s delay it to after Ramadan’... HAMAS' NEW 'AL-AQSA' CALL AFTER ISRAEL'S RAMADAN MOVE

Watch on YouTube

Israel is set to restrict access to the Al-Aqsa mosque in East Jerusalem during Ramadan amid the raging war in Gaza. The Israeli Prime Minister's office cited security reasons for the planned restrictions, Al Jazeera reported. Hamas dismissed the restrictions and urged Palestinians to mobilise in Al-Aqsa mosque to reject the "criminal decision". The Jerusalem mosque often witnesses violence during Ramadan. Last year saw violent clashes between Palestinians and Israeli police.

The current war will not destroy HAMAS. It will boost their popularity within Islam and inspire greater religious cohesion and military fervor among Palestinian factions and support from the Palestinian populations in Gaza, the West Bank and Palestinian communities worldwide (including the U.S.). This could lead to a progression in conflict from the present Al-Aqsa Intifada (begun in 2000) to the future Al-Quds Intifada (Battle for Jerusalem).

Is This War Fulfilling Biblical Prophecy?

“If Israel decided to strike out at Iran, specifically, because they’re funding all of this, what would that produce? Well, it could produce a conflict we read about in Ezekiel 38. The Bible says that Magog will come against her will; the Bible describes hooks in her jaws, pulling her forward almost as though Magog is coming in reluctantly along with her ally, Persia (Iran) ... If you get up in the morning and read this headline, ‘Russia Attacks Israel,’ fasten your seatbelt because you’re seeing Bible prophecy fulfilled in your lifetime before your very eyes.”

The "Phased Plan"

as adopted by the Palestine National Council

"Once it is established, the Palestinian National Authority will strive to achieve a union of the confrontation countries, with the aim of completing the liberation of all Palestinian territory, and as a step along the road to comprehensive Arab unity."

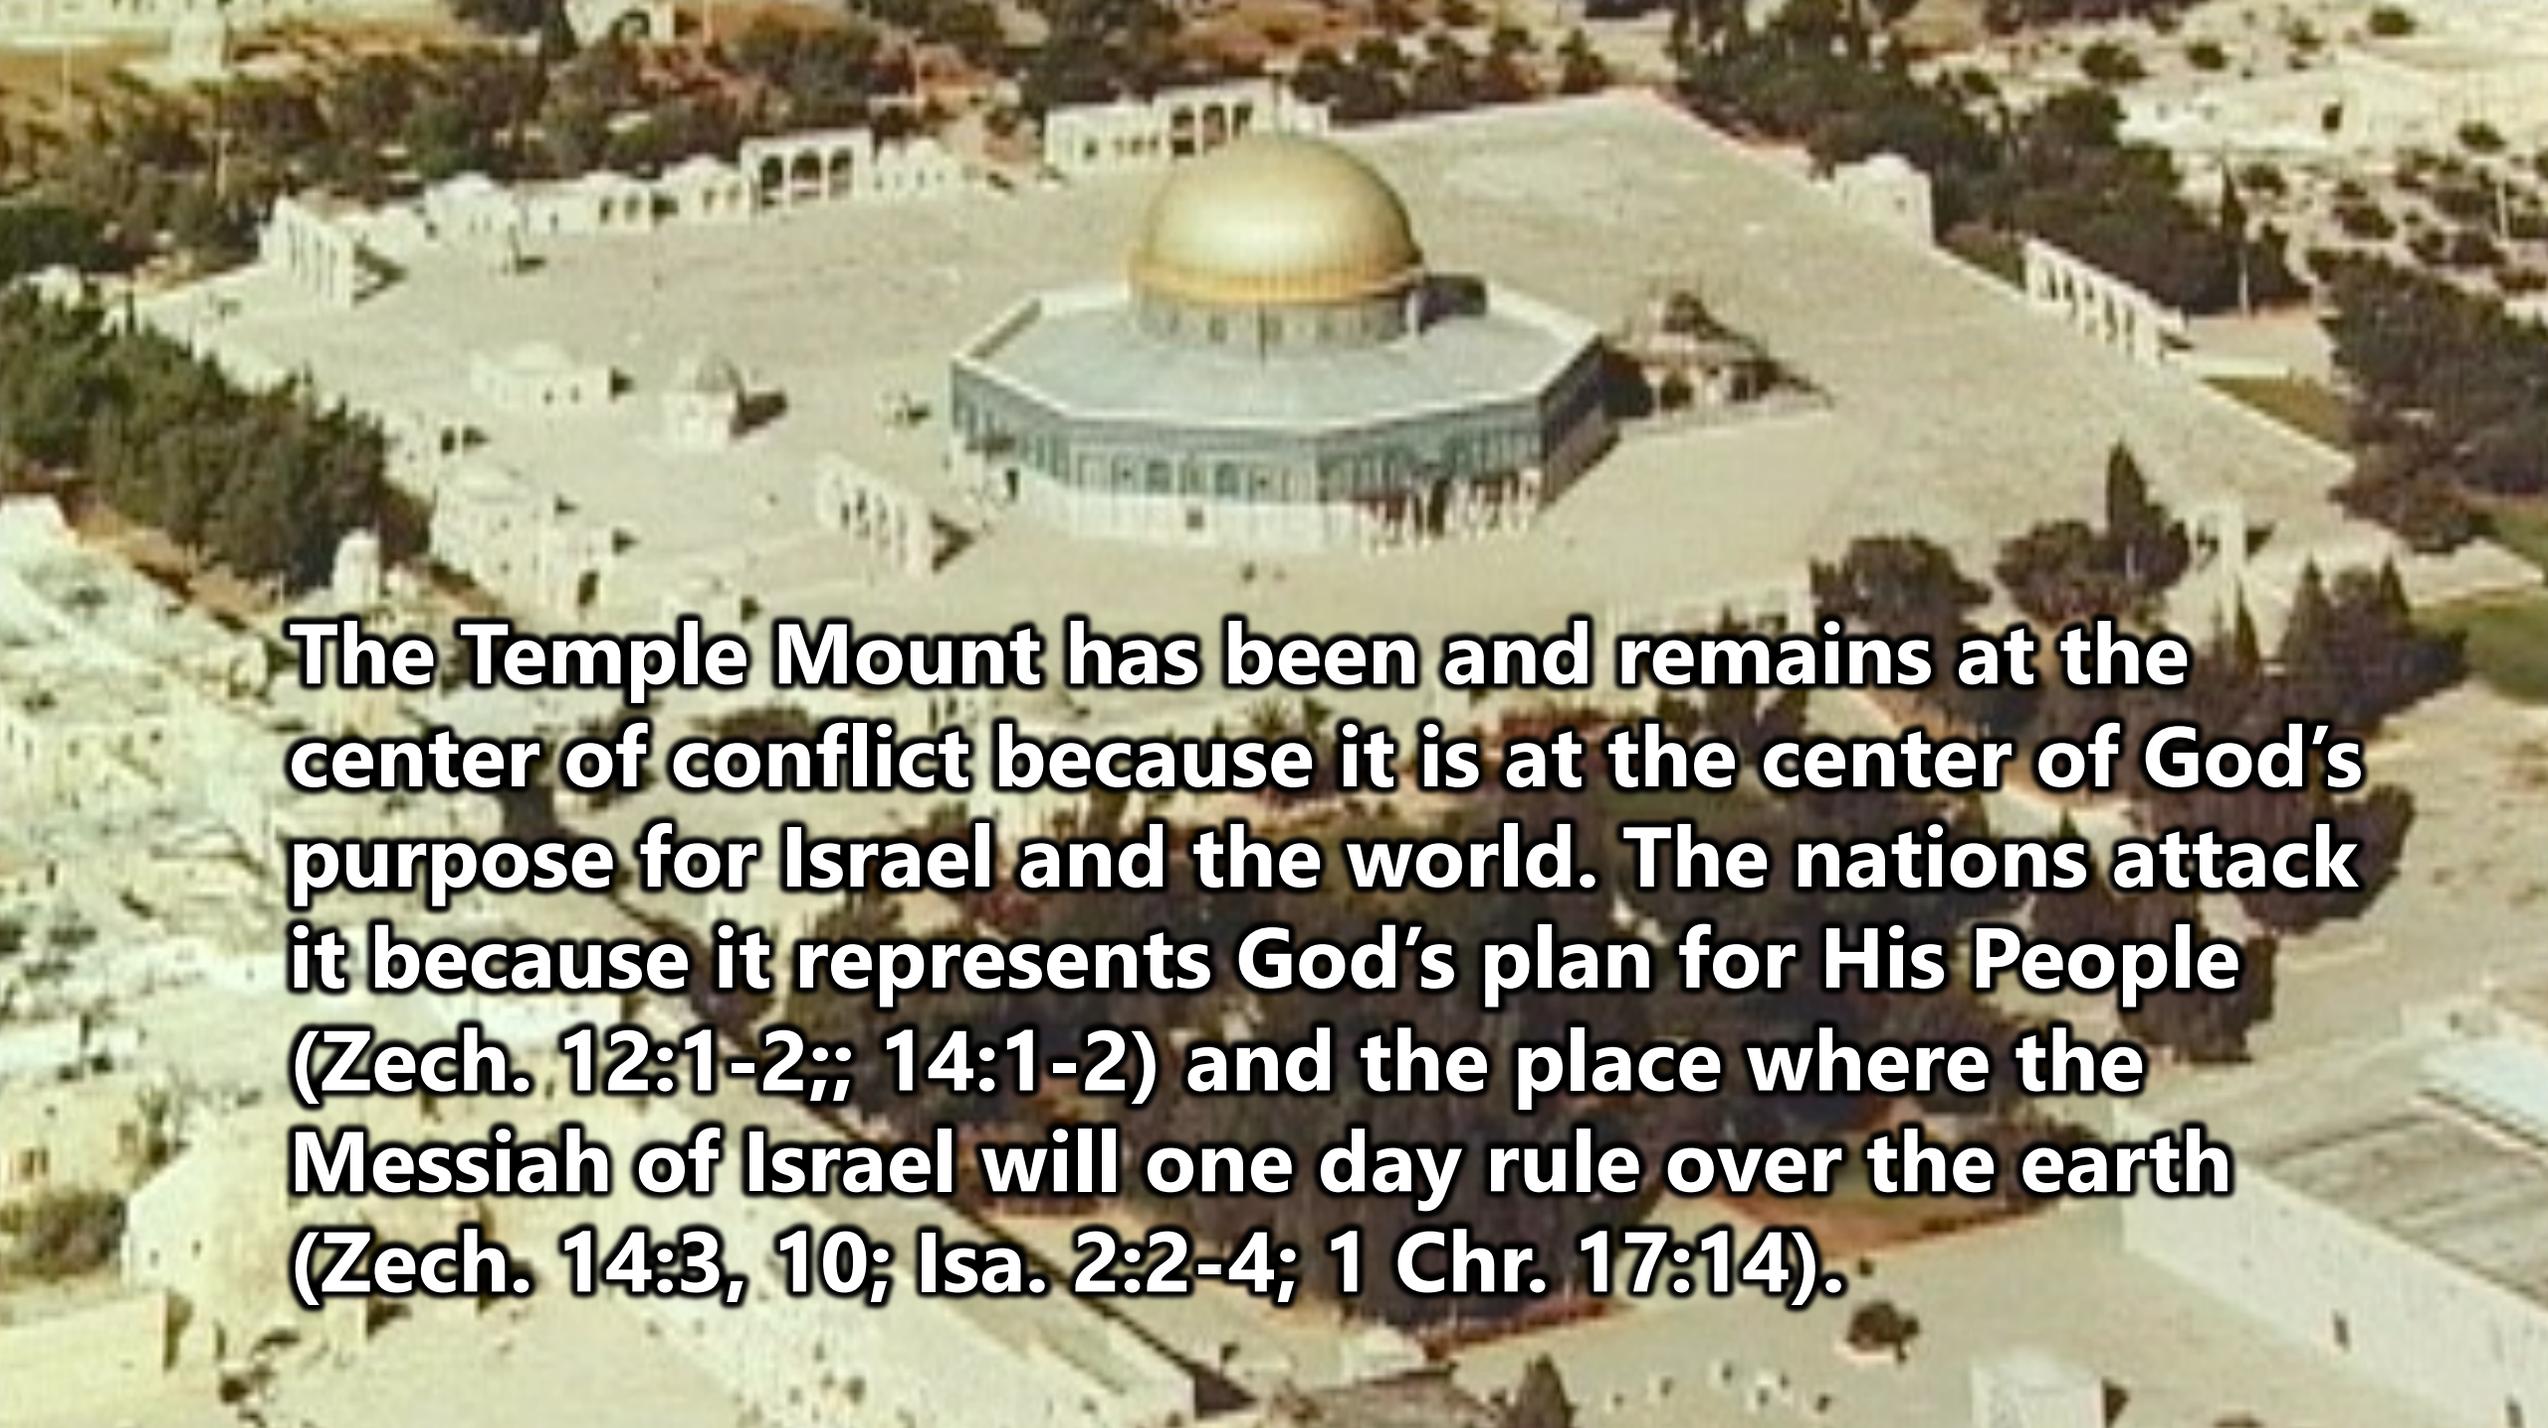

The constant assertion “There is no military solution to the Palestinian conflict with Israel” is predicated on the notion that there is a political solution.

But Saturday’s slaughter made clear—and not for the first or the hundredth time—that this isn’t a political conflict. It is an existential one. And it isn’t only between Israel and Hamas. It is between the vast majority of the Palestinian people, and the entirety of the Palestinian leadership, who actively seek Israel’s physical annihilation and the genocide of world Jewry, and the Jews, who seek to live in peace and freedom in the Jewish State of Israel.”

Caroline Glick, “Hamas’s deception—and our self-deception,” *Jewish News Syndicate* (jns.org)

Israel's Next War – Israel Against the Nations

President Biden is pushing Middle East leaders to support the establishment of a “real” Palestinian state after the Israel-HAMAS war ends. Regional countries and other major powers such as the Arab states, the EU, France, the UK, China and Russia all agree on working towards a two-state solution and the UN has repeatedly called for an “irreversible” move towards a two-state solution. The Palestinians demand a state with no settlements, all of Jerusalem as its capital, and Shariah (Islamic) Law. This has never been, and will never be, acceptable to the Israelis. Moreover, after the war, which has shown all of the Palestinians are united in their continued desire to destroy Israel, and a terrorist state within or next to their country, will be rejected by Israel’s leaders. This will move the UN and other nations (including the US) to oppose Israel’s intransigence and belligerence and seek to compel Israel “to make peace” by sanctions and threats. Israel will claim it is a sovereign nation and refuse to be bullied and may seek to secure “Jerusalem” by rebuilding the Temple. This will lead to military intervention (initially a U.N. Peace-Keeping Force and later a larger multi-national force).

An aerial photograph of the Temple Mount in Jerusalem, featuring the prominent golden Dome of the Rock. The surrounding area is densely packed with white buildings and green trees. The text is overlaid on the lower half of the image.

The Temple Mount has been and remains at the center of conflict because it is at the center of God's purpose for Israel and the world. The nations attack it because it represents God's plan for His People (Zech. 12:1-2;; 14:1-2) and the place where the Messiah of Israel will one day rule over the earth (Zech. 14:3, 10; Isa. 2:2-4; 1 Chr. 17:14).

What Could the End of the War Hold for Jerusalem and the Temple Mount?

The October 7 massacre was because of the issue of the ownership of the Temple Mount.

Will the focus on Jerusalem and the Temple Mount continue after the war

Will Israel decide that Jerusalem, its eternal capital, and the Temple Mount, Judaism's holiest site on earth, must be secured under Israeli sovereignty.

Will Israel ban Muslims from the Al-Aqsa as they have banned Jews from the Temple Mount?

The 1967 Status Quo Agreement, designed to keep the peace, has not been observed for over a decade.

Will Israel now decide that peace is only possible (for Jews) if Jerusalem and the Temple Mount is under the exclusive control of Jews? It seems a radical prospect, but nothing has shaken Israel

In the past 75 years like the Holocaust they experienced from their Palestinian neighbors.

LOOKING FORWARD TO THE DAY AFTER!

We are all looking forward to the day after Israel's defeat of all our enemies wherever they be: to the south and to the north; to the east and to the west.

Building the Holy Temple, "a house of prayer for all nations," (Isaiah 56:7) is the only peace plan that can & will succeed! The Holy Temple - Now, More than Ever!

After *many days* you will be summoned,
in the *latter years* you will come into the Land ... vs. 8

LAST DAYS

The context is Israel,
so this concerns the
last days for Israel,
not the Church

Israel of Ezekiel 38:8-13

1. Regathered from the nations
2. In the “Latter Years” (“Last Days”)
3. Brought back from the “Sword”
4. Peaceful people dwelling securely in unwalled villages
5. Dwelling without “Walls”, “Bars” nor “Gates”
6. Having gold & silver *and* acquired livestock & goods
7. Wealthy nation possessing booty and “Great Plunder”

WHY THE GOG MAGOG WAR IS PRE-TRIBULATIONAL

1. "Last days" only begins *after* the Rapture
2. No prophesied event *before* Rapture
3. No opposition from "Christian West"
4. Burn weapons 7 years (Ezek. 39:9)
5. Creates need to rebuild Temple
6. Creates vacuum of power for rise of Antichrist
7. May be used to bring the 144,000 Jews to faith

In a time of crisis we must spend more time in God's Word to get a divine perspective.

We need to be listening to God and watching what He is doing more than than listening to or watching cable news (or any other news source).

The media says: "Look what the world is coming to!"

God's Word says: "Look Who's coming to the world!"

Fear Not!

Without a doubt a world-crisis is at hand, and everywhere men are alarmed. But God is not! He is never taken by surprise. It is no unexpected emergency which now confronts Him, for He is the One who “worketh all things after the counsel of His own will” (Eph. 1:11). Hence, though the world is panic-stricken, the word to the believer is, “**Fear not**”! “All things” are subject to His immediate control: “all things” are moving in accord with His eternal purpose, and therefore, “all things” are “working together for good to them that love God, to them who are the called according to His purpose” (Rom. 8:28). It must be so, for “of Him, and through Him, and to Him are all things” (Rom. 11:36).
